Reading Ambassadors

We have been training the next cohort of Reading Ambassadors to support our younger learners at Ellowes improve their reading. The students involved were excellent, positive and excited about their new role, and enjoyed the fabulous refreshments too. Thank you to Miss Williams for leading the training. Our new Reading Ambassadors are now ready to take over from Year 11 over the next few weeks.

Safeguarding awareness: Please see information below

Dear parents, carers & guardians of secondary aged children,

The online world can be a bit overwhelming at times but it is important we understand what our children are doing online so we can help make them safer. The Safer Schools App aims to help with this.

About the App

The App is designed to support and protect children by educating and empowering them both at school and at home. Through their log-in, your children get access to information that is relevant to them and you will receive tips and advice on how to keep them safer online.

Make sure to enable push notifications to keep up-to-date with our tips, advice and guidance on how to make your children safer.
