A bit about me

I have worked at Ellowes Hall for sixteen years and enjoy being part of the Ellowes Hall family. I enjoy teaching Business Studies, BTEC Enterprise and Accounting to KS4/KS5 students but my passion lies with my Head of Department Role – PSHE and Careers. I am a strong believer in supporting students to stay safe, happy, healthy and to achieve their career aspirations.

I like to spend my school holidays travelling and experiencing new cultures. I am a Ballroom and Latin dancer and try to keep fit by running and walking.
