A bit about me

I have been teaching at Ellowes Hall for nearly 20 years. During this time, I have been a teacher of Physical Education and have the responsibility of overseeing and running the KS4 academic qualifications and have also taught Sixth form for a number of years. More recently I have taught Duke of Edinburgh, Forest skills and even French! My main passion has always been sport and I enjoy participating in, watching and reading about many different sports in my own time. My other interests away from school include playing the guitar, watching documentaries and spending time with my family. I am excited to be able to welcome you all into the Ellowes family and guide you through your first stages of your secondary education. My role as your tutor is to help and support you in any way that I can, initially through your transition and then through the rest of your time at Ellowes. I am sure we will get to know each other very well and I look forward to welcoming you in September.

Contact:

My email address and the school phone number are listed on this sheet. Please contact your son/daughter's form tutor in the first instance with any queries. Unless urgent it is easier to reach me using my email. I can reply to you much quicker this way and when necessary ring you back regarding any issues at a convenient time.
