Dear Stakeholders,

**Notification of Proposed Amendment to Admissions Arrangements for Academic Year 2025/26**

We are writing to inform you of our intention to amend the published admissions arrangements for the academic year 2025/26 for Ellowes Hall Sports College.

The current arrangements include reference to Sixth Form provision at the school. However, following the recent application to close the sixth form, our 2025/26 admission arrangements no longer reflects the school's operational provision.

At present, there are no Year 12 students on roll and only a small number of students currently in Year 13 who will be unaffected by the closure. Amending the 2025/26 admissions arrangements to remove reference to Sixth Form provision will allow for a phased and carefully managed closure, with minimal impact on the current school community.

Students at Ellowes Hall Sports College will continue to have access to a broad range of post-16 opportunities by applying to other Sixth Form providers within Invictus Education Trust or to alternative local providers.

This amendment will ensure our admissions information remains accurate, transparent, and aligned with the school's current and future structure.

Should you have any questions or require further information, please contact us by Friday 23<sup>rd</sup> May 2025 via email at [governance@invictus.education](mailto:governance@invictus.education).

Yours faithfully
