Dear Parents/Carers,

Mr Jasper has made several requests to parents/carers in relation to access to the school site and in relation to courtesy when dropping children off at school where there are parking restrictions in place.

It has been brought to the attention of the Local Policing Team that the issues of illegal parking in and around the school have continued and as such Mr Jasper has requested support from the Police.

The restrictions imposed by the school and road markings are in place to protect the health and safety of children attending the school and the local community.

There has been an incident reported to the Police this week where a young person has been injured by a motorist outside the school.

Please take this letter as warning that an illegal parking or driving offences witnessed by the Neighbourhood Team or captured on Bodycam/CCTV will be prosecuted through the courts.

Yours faithfully
