Dear Parents/Carers

We continue to receive contact from parents/carers asking for advice and guidance about the need for students to self-isolate.

If your child is or becomes unwell, please consult the information in the link below to help you make an informed decision.

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

In order to protect students and staff, any students who are in school and present with these symptoms will be assessed by a member of the first aid team and, if necessary, we will contact home with a request that they are collected and isolated.

I would appreciate your support and co-operation in this matter.

Yours sincerely
