

## Virtual Lesson Timetable for Year 10 – Group B (In school Wednesday and Thursday) Starting Monday 6<sup>th</sup> July

The timetables below show the virtual lessons only. Lianne Jones has shared the physical timetable for Y10 from Monday 6<sup>th</sup> July. Staff have been allocated to virtual lessons and these need to be checked by each HoD to ensure there is no clashes between virtual lessons and/or physical timetables in school. The timings are slightly different to what we are used to – virtual lessons can be setup with custom timings.

Students have been allocated into group A or group B if they are returning. Group A and group B are not linked to our existing banding system.

The remaining students will be added in to these groups but will remain in separate classes so that it is easy to assign virtual lessons to the correct students.

All virtual lessons will now be required to be **60 minutes long, set as compulsory** but you do not need to **inform parents by email** as these timetables will be shared on the school website.

- B1 – B4 are students who returned to school on Monday 15<sup>th</sup> June. These students will receive one physical lesson of En, Ma, Sc, Hi or Gg and MFL (if studied) on Mon/Tue as well as one virtual lesson. These groups have been set by LJ and have a maximum size of 13.
- B5 – B6 are students who are not returning to school at this time. These students will receive two virtual lessons of English/Maths as well as one virtual lesson in other subjects. These have been set by myself and are larger as they will only have virtual lessons.
