

Virtual Lesson Timetable for Year 8

Starting Monday 6th July

The timetables below show the virtual lessons only. Lianne Jones has shared the physical timetable for Y10 from Monday 6th July. Staff have been allocated to virtual lessons and these need to be checked by each HoD to ensure there is no clashes between virtual lessons and/or physical timetables in school. The timings are slightly different to what we are used to – virtual lessons can be setup with custom timings.

All virtual lessons will now be required to be **60 minutes long, set as compulsory** but you do not need to **inform parents by email** as these timetables will be shared on the school website.

Students will receive two lessons each in English/Maths and one lesson in other subjects.
